

## **400 Capital Management and InterNex Capital Partners to Provide \$100 Million Funding to Small and Mid-Sized Businesses**

NEW YORK, NY – DATE, InterNex Capital, a digital asset-based lender announced today that it has secured a funding facility up to a \$100 million from 400 Capital Management (“400 Capital”), a structured credit asset management firm. The facility will allow the company to solve short term working capital needs to an underserved market segment of small and medium sized businesses seeking loans between \$250,000 and \$5 million.

“Overwhelming majority of Fin Tech lenders are focused on consumer, student, real estate or microbusiness (revenues <\$1 million and/or small loan sizes <\$250K) segments only. We believe our revolving line of credit product and technology platform provides small businesses seeking working capital financing a more flexible funding solution and overall enhanced customer experience,” said Paul DeDomenico, Co-Founder and CEO at InterNex Capital.

“We believe this partnership creates great risk-reward attributes and potential for borrowers and investors alike,” said Chris Hentemann, Managing Partner and Chief Investment Officer of 400 Capital. “We look forward to combining 400 Capital’s structured finance expertise with a well-pedigreed and experienced team in an underserved market to capitalize on these significant opportunities.”

### **About InterNex Capital:**

InterNex Capital is an asset-based digital lender providing revolving lines of credit from \$250,000 to \$5,000,000 to small and medium sized businesses. Founded by commercial lending and Fin Tech veterans, InterNex is able to optimize underwriting, monitoring, and funding through its integrated technology, data analytics, and credit scoring algorithms. The InterNex platform enables seamless integration with customers, partners and capital providers. InterNex Capital’s strategic partner is Genpact (NYSE:G), a global leader in digitally-powered business process management and services.
